3. Every student is an individual who learns at a pace and process unique to himself/herself; therefore, teaching methods and approaches should accommodate differences in learning styles and abilities.
4. Every student should be nurtured to develop character, self-discipline and a sense of self-worth.
5. Every student should be encouraged to develop a love of learning that leads him/her to become a self-directed life-long learner.
6. Every student has the right to fair and just expectations that are clearly expressed and promulgated.
7. Every student should be provided with learning opportunities and activities, both intellectual and social, that extend beyond the classroom.
8. Every student should be provided the opportunity to put Catholic beliefs and obligations into everyday practice through a program of community service.

9. Every student has the right to a learning environment where he/she feels safe and secure, and where his/her human dignity is recognized and valued.
10. Every student should be nurtured to develop a respect for the individual differences among people, to develop a sense of stewardship for the environment, and to appreciate both as God's gifts to us.
11. Every student should have the opportunity to expand his/her knowledge and use of current technology.

Academic Expectations at Holy Name

At Holy Name High School we come together as a community to learn from and with each other and to grow intellectually, spiritually and socially. We are our brother and sister's keeper and we reach out to each other in the spirit of a Christian community.

Our expectations for ourselves, our classmates and our teachers are high. We share the long history and tradition of Holy Name High School. It bonds us and makes us one.

Our Academic Expectations include:

1. To participate and be respectful during school liturgies. Celebration of mass is part of the theology curriculum.
2. To work to the best of our ability at all times and in all classes.
3. To be prepared for all classes, completing all assignments whether they are written assignments or reading assignments.
4. To actively participate in all classes.
5. To be attentive in all classes, sitting up properly. Study hall requires that materials be brought for study or, if all class work is up to date, that a book be brought to read during the study time.
6. To respect the teacher's right to teach without disruption.

7. To respect our classmate's right to learn without disruption.
8. To always turn in assignments and examination papers that are the results of our own intellectual endeavors. Cheating, including plagiarism, is never tolerated and results in a grade of zero.
9. To strive for perfection in all we do, setting high goals for ourselves, and always aiming high.

ProgressBook

All grades for each student are updated continually at <https://pa.nccohio.org>. This serves as your interim report of progress. Families are obligated to check <https://pa.nccohio.org> regularly as their notice of student progress and/or failure.

Incomplete Marks

A grade of incomplete can be given to a student for a quarter/semester in circumstances of extended absence due to illness. Students receiving an incomplete will be given a date by which all outstanding assignments must be completed. Failure to respect this deadline may result in a failing grade.

Grade Reports

Grade reports are issued four times each year. The first and third quarter grade reports will be distributed to parents/guardians during the parent-teacher conference meetings. Subsequent reports will be mailed approximately two weeks after the end of each quarter.

Course Selection Procedures

Registration for each new school year will be conducted during the months of February, March and April. Students and parents are encouraged to read the course selection information thoroughly. As well, students should select their courses based on the input from faculty recommendations and consultation with their counselor. Every effort is made on the part of the faculty to recognize the student's ability and to insure the best placement possible. After the recommendations have been made, a parent signature is required. Any discussion of the placement should transpire during the process. If in fact a discrepancy occurs, the counselor will notify families. It is important that students and parents realize that course selections are final, and changing selections is a time consuming process. Each student is personally responsible for all academic requirements listed in their handbook for graduation. All students have been assigned to a counselor and will

have the opportunity to meet with their respective counselor during the course selection process. Counselors will use this meeting time to review the courses best suited for the student's ability, and to meet the necessary graduation requirements from Holy Name High School. This is also a time to begin/continue discussions regarding a student's post-secondary plans, including college.

Schedule Changes

A course change request may be considered within the first two weeks of each semester. A change may be initiated for one of the following reasons:

- Scheduling errors
- Teacher initiated change
- Counselor initiated change
- Student initiated change
- Parent initiated change

If a schedule change is the result of an error, or teacher or counselor initiated, a fee will not be assessed. However, if a student or parent requests a change, a **fee of \$50.00 will be incurred**.

Schedule changes cannot be made for a change of teacher, to obtain early dismissal, to request a specific lunch period or for poor performance. A request for change must be discussed with the counselor. If the counselor approves the change, a form **must be completed**. The form requires the signature of the parent as well as the teacher of the class being dropped.

After the first two weeks of each semester, students will be unable to add, drop, or change courses. We encourage every student and family to carefully review the course selection form. All schedule change policies will be strictly enforced.

Textbooks (On-line and Traditional Print)

Textbooks are issued to students on a loan basis, therefore it is the duty of all students to respect and take care of their books. Upon receiving and accepting these texts, students assume full responsibility for their care, use, and return at the end of the school term or year. Students must return all textbooks issued to them, or pay for lost or damaged textbooks before grades are submitted.

First and Second Honors

Students having a scholastic average of 3.6 or higher earn first honors. Students having a scholastic average of 3.0 to 3.59 earn second honors. First and Second Honor postings are based upon current quarter GPAs. End of the year honors and class rank are based upon cumulative GPAs.

Semester Grades

The semester grade is the accumulation of two quarter grades and one final exam grade. A student who receives two out of three Fs for these marking periods will automatically fail the class for the semester. Semester grades are the only marks that appear on the permanent record.

The cumulative point average is computed at the end of each semester and is based on semester marks only. Only classes taken at Holy Name are averaged into the cumulative grade point average.

Cheating

Holy Name does not tolerate cheating of any kind. Any student who, in the judgment of his or her teacher, has given evidence of copying answers or work from another student, an earlier test, or someone else's writing (plagiarism), will receive a zero for the copied test, project, or assignment. Students who help others cheat will receive the same sanctions. A second offense will result in suspension or expulsion.

Plagiarism

Holy Name students are required to demonstrate academic integrity in the submission of course assignments and projects. This integrity includes students properly crediting the ideas, words, data or diagrams of other people that are used in research assignments or projects. The MLA method of documentation is to be used. The use of someone else's paper, words or ideas from resources such as texts, journals, and/or websites without proper documentation, is considered cheating and is called "plagiarism." (Refer to cheating)

Academic Probation

A student whose cumulative academic average falls below 1.6 at the end of a semester will be placed on academic probation.

During the probationary period the student:

1. May not receive a failing grade in any class.
2. Must satisfactorily complete all class work.

3. Must comply with any other stipulations as determined by the Assistant Principal for Academics and the Guidance Department.

At the end of the probationary period the student's academic record will be reviewed and evaluated. If the student has fulfilled the terms of the probation agreement they will be removed from probationary status.

If the terms of the contract have not been satisfied, the student will be subject to dismissal.

Academic Dismissal

In order to advance to the following year, a student must have accumulated a minimum number of credits at the end of each grade level as follows:

<u>By the end of Grade level</u>	<u>You must have this many credits</u>
9	5.25
10	11.00
11	18.00
12	25.00 to Graduate

In addition to the above, if a student fails more than two semester classes or a semester of Theology class, the student will not be invited to return to Holy Name.

Parent-Teacher Conferences

Parent-Teacher conferences are scheduled in November and March. First and third quarter report cards will be issued to parents/guardians at that time.

Parents/Guardians are encouraged to contact teachers and Guidance Counselors at any time during the school year to discuss their son/daughter's academic status. To do so, call the school (440-886-0300) and leave your name and phone number with the secretary or email the teacher directly.

Parent-Administrator Conferences

If a conference is desired, parents/guardians are asked to call the school office (440-886-0300) during school hours to set up an appointment convenient for both parents and the appropriate administrator. For discipline issues contact the Assistant Principal in charge of discipline;

for curriculum issues, contact the Assistant Principal in charge of curriculum.

In cases involving academics, please contact the teacher before requesting a conference with an administrator.

Teacher Availability for Extra Help

All faculty members are available to students before school, during preparation periods and after school from 2:35 p.m. to 3:00 p.m. (except those assigned to special, seasonal duties, e.g., coaching).

Students are asked to arrange for teacher assistance by appointment. Such help is most effective early in the school year. We encourage students to take advantage of class teacher availability.

College Credit Plus (CCP)

CCP courses allow a Holy Name student to complete a college level course that will count as both high school and college credit while remaining on Holy Name's campus. In other words, CCP allows students to simultaneously earn high school and college credit. CCP courses on Holy Name's campus are offered via Notre Dame College and Cuyahoga Community College. Holy Name's CCP instructors are adjunct professors at Tri-C and/or Notre Dame College.

Student must realize that the class is a college-level course with a college-level workload. Each College Credit Plus/CCP course is weighted 1.0 when determining a student's GPA at Holy Name. In order to enroll in a CCP course, a student must place high enough on a college-level placement exam, earn a minimum GPA, and be recommended by teachers, counselors, and/or administrators. Details of the application process will be spelled out at a required meeting scheduled for February of 2017.

Some/all credit hours may be funded by the State of Ohio. Students and their families will not officially be informed as to what the state will cover/fund until the summer of 2017. Each student and his/her family must agree to cover whatever cost the state does not fund in order to enroll in a College Credit Plus course.

Public/state colleges within Ohio will accept College Credit Plus credits with a grade of an A,B or C for the class. College Credit Plus credit MAY NOT be awarded by all **private colleges within Ohio or**

by all out-of-state colleges. Please keep in mind that acceptance of College Credit Plus credit hours FOR COLLEGE CREDIT does vary from college to college and state to state.

Advanced Placement (A.P.) Classes

AP courses allow a Holy Name student to earn high school credit with the potential for earning college credit depending on how well a student scores on the national AP Exam in the spring of 2017.

Student must realize that the class is a college-level course with a college-level workload. Each AP course is weighted 1.0 when determining a student's GPA at Holy Name. In order to enroll in an AP course, a student must have an accumulative GPA of 3.0, a minimum of a B average in the AP subject area, and must obtain approval of the appropriate academic department.

If currently enrolled in an AP course, a student must have approval from his/her current AP teacher to pursue additional AP coursework.

Students are required to take the AP exam in May and are responsible for the AP exam fee.

(Cost is approximately \$90 per AP exam.)

AP exam scores are recognized nationally and accepted by hundreds of universities throughout the country. State/public universities within Ohio do have to award some college credit to any student who earned a 3 or higher on the AP exam. However, some of the more selective schools may only award credit if a student earned a 4 or a 5 on the AP exam. Some of the most selective schools (i.e. an Ivy League school) may only award credit if a score of 5 is earned. Please keep in mind that AP policy will vary depending on the selectivity of the school.

Transcripts/Permanent Records

A permanent record card is kept for each student throughout his or her high school enrollment at Holy Name High School. Personal data is kept on this record including semester grades, class rank and standardized test scores. This information is then converted to a final transcript upon graduation. Students who need a transcript for college or other purposes must have an official transcript release form (found in the guidance area) signed by a teacher or guardian.

National Honor Society

The National Honor Society (NHS), established in 1921, is a national organization that recognizes outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. The Holy Name chapter of NHS encourages all students to become true scholars who demonstrate enthusiasm for learning, a desire to be leaders, and a willingness to serve both the school and the community at large, all while manifesting a good Christian character. Students inducted into NHS will be considered representatives of both the national organization and the school community and therefore must show the highest standards of the four cornerstones of NHS. Details related to the application process are made available in the fall.

GENERAL SCHOOL POLICIES

Arrival and Dismissal

The school day begins with homeroom period at 7:50 a.m. followed by first period at 8:00 a.m. Dismissal will be at 2:35 p.m. The building is opened at 7:00 a.m. Students who arrive prior to homeroom may wait in the school cafeteria until their classrooms are opened at 7:40 a. m.

Unless students are involved in supervised after-school activities, we urge them to leave promptly at dismissal time. **They must leave the building by 4:00 p.m. Unless working with a teacher, students are required to be in the cafeteria from 3:00 p.m. until 4:00 p.m. or working on school work in the computer lab. The computer lab will be closed at 4:00 p.m.**

Attendance

Each student enrolled at Holy Name High School assumes the obligation to attend all classes regularly and on time. All medical and dental appointments, etc., should be planned so that students miss a minimum of class time. The following are valid reasons for absence from school: (Based upon Ohio Attendance Laws)

- Illness of child
- Illness in the family
- Quarantine of home
- Death of a relative

- Medical or dental appointments (**Must provide written statement from physician or dentist upon return**)
- College visitation
- Emergency or other set of circumstances approved by administration

IF A STUDENT IS UNABLE TO ATTEND SCHOOL FOR ONE OF THE ABOVE REASONS, his/her parent or guardian must call school (440- 886-0300 Ext. 133) within 24 hrs. of the absence. Failure to do so will result in the absence being recorded as unexcused. If an absence is **unexcused**, any work due or missed cannot be made up for credit. This includes assignments, quizzes, and tests. **The school administration reserves the right to rule on all attendance matters and give excused absences or declare unexcused absences when appropriate.**

UPON RETURNING TO SCHOOL, **a note signed by the student's parent or guardian must be presented to the attendance clerk.** The note must indicate the dates of absence from school and the reason for absence. Failure to present a note will result in the absence being marked unexcused permanently.

If a student arrives at school past 11:00 a.m. or leaves school past 11:00 a.m. on a regular school day, he/she will be charged with a 1/2-day absence.

A student who because of illness is absent from school past 11:00 a.m. may not participate in any extra-curricular activities scheduled on that day.

Students are always responsible for work and tests missed while absent. **On the day a student returns to school**, it is his/her responsibility to confer with each of his/her teachers to arrange for whatever make-up work and tests are necessary. Teachers will assign a due date by which assignments must be made up. Failure to respect this deadline will result in a zero for the assignment(s) in question. Teachers are not expected to extend privileges to students who frequently miss school.

Absence should not be an excuse for submitting projects, long-range assignments, etc. **later than the due date.**

1. After a student has been absent ten (10) times in any given semester, an administrator will notify the parent/guardian in writing of this occurrence. A student will be placed on attendance probation following the tenth (10th) absence.
2. If a student has been absent fifteen (15) times in any given semester, a parent, student, and administrator conference will be required. If a current lengthy illness or a chronic medical problem is the cause of absence, medical documentation must be presented at this time. The health aide will then notify each teacher and explain the situation.

Tardiness

Students are expected to be on time. Every student coming to school late must report to the Front Office for an admit slip before they report to class. No student will be admitted to class without an admit slip from the Front Office.

On foul weather days, students should anticipate transportation difficulties and leave home earlier than usual in order to arrive to school on time.

The following common reasons for being late to school are considered **unexcused** based on State of Ohio attendance laws:

- Oversleeping, by student and/or parent
- Car trouble of any kind
- Traffic jam

All tardies are recorded on a student's permanent record. Students are permitted to be tardy three times per quarter without penalty. A fourth tardy will result in Saturday School (p. 21-22). Any subsequent tardy during the quarter will result in a one day suspension.

Closed Campus

No student may leave the campus at any time for any reason without permission. Doing so will result in a one day suspension. In addition, the student parking lot and all wooded areas are off limits.

EXCUSES FROM SCHOOL

Medical Appointments

Students requesting early release for dental or medical appointments, or any other reason, ARE TO BRING A NOTE TO THE ATTENDANCE OFFICE BEFORE HOMEROOM PERIOD. The note must be signed by the

parent or guardian, state the reason for absence, and the departure and return times. (Telephone requests are not acceptable). When the time comes for the student to leave, he/she must first report to the main office and sign out. If the appointment permits the student to return on the same day, the student must sign in at the main office before reporting to class. **When the student returns to school, the student must present written documentation of appointment attendance.** If a student knows in advance that an appointment necessitates missing an entire day, the note should be submitted on the previous day. **(Telephone requests are not acceptable).**

Funerals

Students who are attending a funeral when the deceased is not a member of the family are required to obtain the official permission form from the main office. This form must be signed by a parent and returned to the attendance clerk the morning of the funeral. **A phone call will not suffice.** All students must return to school immediately following the conclusion of the specified ceremony.

Vacations

When students will be absent for family trips or vacations, a written request must be brought to the attendance clerk at least one week prior to departure. The student will be given an extended absence release form to be signed by his/her parents, teachers and both Assistant Principals. The student is responsible for all class work and assignments that will be missed and is not entitled to any special tutoring by his/her teachers. **Vacations during final exam weeks will be unexcused absences.**

College Visitations

Students are encouraged as high school juniors and seniors to visit colleges as they prepare for the college search and application process. Seniors will be provided with three college visitation days. Seniors are encouraged to visit colleges between September 15th and May 1st. Juniors and sophomores are also entitled to three visitation days during the second semester of the school year after March 1st. Students in good academic standing should obtain the *College Visit Verification Form* **3 days prior** to the campus visit from the main office. The student is responsible for all class work and assignments that will be missed on the day(s) of the campus visit. Upon return, students must return the verification form completed by the college(s) admission office as proof

that the student visited the college. This form should be returned directly to the attendance office. Additional questions should be directed to the student's counselor and/or the main office. **Failure to comply with this policy will result in an unexcused absence.**

Career Shadow Day

Career shadow days will allow students the opportunity to explore potential careers and college majors. In preparation for the required Career Shadow Program, each sophomore will be allowed to use one day per school year to shadow a person who works in a field they may be interested in pursuing. Forms will be available through Mrs. Fiorilli in attendance and in the counseling department.

Career Shadow Program

Juniors and seniors should plan on a career shadowing experience to be performed at some point during the year. All paperwork must be filled out completely and turned in by the assigned day.

Parish or Grade School Retreats

Students are encouraged to take advantage of the in-school retreat program. Students in good standing are permitted to participate in parish or grade school retreat programs. A note signed by a parent or guardian must be submitted in advance to the appropriate administrator.

CODE OF CONDUCT

Holy Name High School, recognizing the right and duty of parents/guardians to originate Christian values in their children, seeks to reinforce those values in a structured setting, attempting by example and precept to live them and teach them.

The school is an extension of the home. The authority of school officials extends through the regular school day, during the time spent in travel between home and school, at events outside of school hours, and at school-sponsored events away from school property.

A genuine Christian concern for the rights and dignity of each student and faculty member and a sense of respect for school property and the property of others, should lead students to behavior which at all times

evidences sensitivity toward fellow students and teachers and care for property.

Holy Name High School is a self-respecting institution with standards that students are expected to meet. It makes demands upon its students and expects the students to make demands upon themselves. Only in this manner can true moral and intellectual development take place. In this setting, the school reinforces the parents' commitment to Catholic/Christian education.

School Jurisdiction

The school has a just concern for its reputation and good name. Each of our students represents Holy Name at all times. The school has a concern for the individual students, and how the actions of one or a few reflect on themselves and all members of the school community. Therefore, the school is justified in responding to and taking action in situations that occur off school premises, **including cases involving electronic media/communications**, which reflect negatively or may reflect negatively on the school and/or violate the teachings and principles of the school.

Therefore, it is to be clearly understood and agreed as a condition of enrollment that the rules, regulations and policies of the school apply to our students at all times (during the school day, before and after regular school hours, weekends, and all vacation periods, etc.)

Non-Discrimination Policy

Holy Name High School admits qualified students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded to or made available to students of Holy Name High School. It does not unlawfully discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

"Made in the Image and Likeness of God"

Holy Name High School seeks to create and foster a school community in which all individuals are treated with dignity, integrity, and respect. And in light of this, every person has human dignity which Holy Name High School is committed to enhance and protect. We believe that all individuals are "created in the image and likeness of God." For these

reasons, the Holy Name High School community is one in which all faculty, students, and staff are entitled to pursue their fullest intellectual, social, spiritual, emotional, and physical potential. Harassment of any kind interferes with this development and, therefore, will not be tolerated.

Harassment occurs when an individual is intimidated, teased, bullied, threatened, or discriminated against because of race, religion, age, gender, physical appearance, socioeconomic status, or sexual orientation. Harassment creates an offensive, hostile, and intimidating environment. Examples of harassing behavior include, but are not limited to the following:

- Verbal Harassment: Derogatory or demeaning comments, jokes, threatening or intimidating words spoken to or about another person or group.
- Physical Harassment: Unwanted physical contact, touch, impedance, blocking movements, assault, and hazing or any intimidating interference with normal activity or movement.
- Visual Harassment: Derogatory, demeaning or inflammatory drawings, written words, cartoons, posters, gestures or altered photographs physically produced or posted.
- Sexual Harassment: Unwelcome insults and other verbal or physical conduct of a sexual nature.

The school will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner. As members of the Holy Name High School family, we trust that you will embrace and practice these principles on campus and in your home.

Insubordination

Insubordination can be defined as an act of being disobedient to constituted authorities. Any such act is one that interferes with the good order and mission of the school. Failing to obey a reasonable request of school personnel, failing to identify one's self to school personnel when requested, raising one's voice to school personnel, or abusing or insulting school personnel are some examples of insubordination. Insubordination will not be tolerated. Punishment for insubordination

can range from detention to expulsion. It is the right of the administration in conjunction with the teachers to determine the proper disciplinary action.

Abusive Language

As a self-respecting Christian institution, the use of any foul language or gestures that are considered inappropriate, obscene, or disrespectful will not be tolerated. Punishment may range from detention to expulsion.

Fighting

Fighting on school property, adjacent property, and corner bus stops or at school functions is considered a serious offense, which directly affects the good order, morale, and welfare of Holy Name High School. Therefore, acts of fighting, posturing or threatening to fight, will result in a suspension from school, parental notification, a parent conference, and/or any disciplinary action deemed necessary by the administration. Intimidation or retaliation as a result of the conflict will result in further disciplinary action. The fighting policy also applies to athletes during competition.

Stealing

Stealing is a serious offense that will result in suspension or expulsion after parents are notified and a conference takes place. It is the student's responsibility to secure his/her valuables.

Cutting Class

Cutting class is considered an unexcused absence. One hour of detention must be served for each class missed in addition to a mandatory parent conference with the assistant principal. A second offense of class cutting will result in a one-day suspension. A third offense will result in a three-day suspension.

Cutting School

Cutting school will result in an unexcused absence for the day of the offense and a one-day suspension. A second offense will result in an unexcused absence for the day of the offense, a three-day suspension, and a parent conference. A third offense may result in expulsion.

Tardiness to Class

Three-minute periods are provided for change of class. Students who are tardy to class or study hall must obtain admittance permits from the office. After-school detention is automatically assigned. Continued tardiness may warrant additional disciplinary action.

Smoking/Smokeless Tobacco/E-Cig, etc.

Use or possession of any tobacco products on school property or at any school activity is not permitted and is punishable by suspension.

Forgery

Parent signatures and/or written communications that are forged will result in a Saturday School detention. The same applies to fraudulent calls to the attendance clerk.

False Alarms

Any form of false alarm such as fire, bomb, etc., or any threat that induces panic will result in immediate expulsion and notification to legal authorities. Any threats or actions that are in violation of the law will be promptly reported to legal authorities.

Chemical Use, Abuse and Dependency

In order to provide an environment that is healthy for students, we must maintain strictly enforced rules concerning the possession and use of mood-modifying chemicals. Students may not consume, sell, deliver, transmit or have in their possession alcohol, any mood-modifying chemicals, controlled substances, look-alike drugs, or drug related paraphernalia while in school or on school property or while attending a school activity. Students suspected of having consumed alcohol will be subjected to a Breathalyzer test administered by the assistant principal. Students may not be in school, on school property or in attendance at a school activity after consuming any controlled substance or mood-modifying chemical. Violation of any of these rules will result in the proper authorities being notified and the student's immediate removal. Appropriate disciplinary action ranging from suspension to expulsion will follow.

As a condition of enrollment, Holy Name requires that all students submit to a hair follicle test conducted by school approved personnel to determine if a student has used certain drugs. It is expected that students will wear a hair style that allows for a sample of head hair to

be collected. Any student attempting to avoid submitting a hair sample via head or body shaving will be considered in violation of the policy. Students failing a drug test will be required to attend a school approved drug counseling program and provide the Administration with proof of attendance and completion of the program. A student who fails a drug test will be required to be retested every 90-100 calendar days for the remainder of the school year. Parents must pay for all subsequent tests beyond the original screening. If a parent believes that there was a false positive test, they can request an immediate second testing at their expense by the same means and through the same company used by Holy Name. A second failed drug test will result in expulsion. A student who fails to cooperate with any part of the school's drug testing policy will be expelled immediately.

After all students have been screened, random drug testing will occur throughout the remainder of the year.

Chemical Possession, Sale or Distribution

If a student possesses, sells or distributes alcohol, tobacco, drugs or drug related paraphernalia on to school property or at a school activity they are subject to suspension or expulsion. If a student is suspended, as a condition of continued enrollment, the student will submit to a Psychomedics hair follicle test and enroll in a school approved counseling program and be retested every 90-100 days at the parent's expense.

Electronic Devices

Administrative or teacher permission must be granted for the use of electronic devices from 7:45 a.m. to 2:34 p.m. The school is not responsible for theft or damage of such devices. Unsanctioned use of an electronic device will result in detention.

Cell Phones

Cell phones and other communication devices may be brought to school provided they are **turned off** between the hours of 7:40 a.m. and 2:35 p.m. The school assumes no responsibility for them being lost or stolen.

Consequences for an accidental violation (example: student forgets phone is on, it is heard ringing)

First Violation – verbal or written warning.

Second Violation –Confiscation of device and the device is given to Assistant Principal. A \$10.00 return fee is charged.

Third Violation – Confiscation of device and the device is given to Assistant Principal. A \$25.00 return fee is charged.

Further Violations: Confiscation of device and the device is given to Assistant Principal. A \$50.00 return fee is charged and a parent must collect the device.

First Violation – Saturday School, confiscation of device, \$10.00 return fee charged.

Second Violation – Saturday School, confiscation of device, \$25.00 return fee charged.

Further Violations – Suspension, confiscation of device, \$50.00 return fee charged, conference with parents before student returns to school.

Failure to surrender a phone/electrical device to a faculty member when requested will result in the student being sent home immediately and given a suspension for the following day.

No pictures or footage can be taken with a camera, cell phone, etc. at Holy Name at any time without the permission of the Administration. Any images/footage taken at any Holy Name event or at Holy Name at any time may not be posted on any internet site without the permission of the Administration.

Gum Chewing

Chewing gum in the school building is not allowed. Violations will result in a \$5.00 fine. Failure to pay will result in further disciplinary action

DISCIPLINE SYSTEM

Disciplinary infractions result in Detention, Saturday School, Suspension or Expulsion. The final decision on all disciplinary action rests solely with the principal and is not subject to negotiation.

Detention

Detention totals compile throughout the year. A student's total does not "go to zero" at the end of the first semester.

Minor infractions such as dress code violations, public displays of affection (pda), and tardiness to class result in a 30 minute after school detention. Detention runs from 2:45 p.m. to 4:00 p.m. Monday thru Thursday (students must sign-in with the main office at 2:45 p.m. or with the moderator in room 224 by 3:30 p.m.). Students must serve the detention on the day it is received or during one of the next three available detention sessions. For example: a detention received on Monday must be served by Thursday of that week. A detention received on Wednesday must be served by Tuesday of the following week. Failure to serve assigned detentions within the allotted time will result in a one day suspension.

An accumulation of four detentions results in a Saturday School. A second accumulation of four detentions results in a one-day suspension. A third accumulation of four detentions results in a three-day suspension, parent conference and the student being placed on a behavior contract. More infractions may lead to expulsion.

Assignments will be provided to keep the student busy the entire period. Students may not excuse themselves from detention. Administrative approval is required to reschedule detention assignments.

Saturday School

Students are required to attend Saturday School for violating the phone policy, forging a signature, accumulating four detentions, or when assigned by the Assistant Principal in charge of discipline. Please note that detentions accumulate throughout the entire year.

Attending Saturday School does NOT eliminate the student's detention obligation.

Saturday Schools are held once a quarter (calendared). Parents and students will be notified in advance of the session. They are held from 8:30 a.m. until 11:30 a.m. and school dress is required. Writing assignments are given and there may be a labor/service component to enhance the Saturday School experience. However, students should

bring study or reading material in case they finish their assignment early. Failure to arrive on time or to report to Saturday School results in a three day out of school suspension. **A student may be assigned to only one Saturday School per quarter. A second Saturday School worthy offense committed in a quarter will result in suspension.**

Suspension

Behavior that rises above punishment by detention will result in suspension or expulsion. The administration reserves the right to suspend a student for any action they deem worthy of the punishment. Suspension is a serious step taken by the administration to bring a student to consider the undesirable nature of his/her attitude and behavior. A student committing an offense worthy of suspension will be immediately sent home. While he/she is under suspension, a student may not attend classes, be on campus or attend or participate in any school social or athletic event. Students are suspended only by the principal or an assistant principal.

Suspended students **MUST** make up all missed school work, including tests and quizzes, for 50% of the credit earned.

Disciplinary Probation

In the disposition of serious disciplinary cases, it becomes necessary at times to reinstate students to their classes on a probationary basis. The length of the probationary period may vary depending on the gravity of the circumstances. Students on disciplinary probation will sign a discipline contract.

The basic purpose of the probationary status is to give the student an opportunity to improve his/her attitude and conduct. When this becomes factual, students will be removed from probationary status and will be reinstated to good standing. Failure to show improvement may lead to dismissal.

Expulsion

Expulsion will occur if the Administration of Holy Name High School feels that a student has failed to live up to the demands and expectations we set forth for our students. We feel that it is a privilege to attend this institution, and students who continually violate the rules are a disruption to the mission of the school.

DRESS/PERSONAL APPEARANCE STANDARDS

ANY CONFLICTING INFORMATION FOUND IN THE SCHOOLBELLES CATALOG IS TO BE DISREGARDED.

Neatness, cleanliness and appropriateness are important in producing a serious academic atmosphere. THE DRESS CODE IS IN EFFECT FROM THE TIME A STUDENT ARRIVES IN THE MORNING UNTIL HE OR SHE LEAVES THE BUILDING AT THE END OF THE SCHOOL DAY. Wherever they go, our students should be aware that they represent Holy Name High School and their appearance should reflect well on the school.

It is the responsibility of all students, as well as their parents, to cooperate with the school and to conform to the spirit as well as the letter of the dress code. **Please do not allow your child to leave for school in violation of the dress code.**

No hair bands may be worn. Administration will have the final say on what is and is not a Mohawk.

The penalty for not following the hair length standard is as follows: The student will receive a first warning for hair length and given two additional days to get his hair cut. If, after three days, the hair is not cut, the student will receive a detention and may not return to school until the dress code standard has been met.

Dress Down Day Regulations

There are many occasions when we will have all school dress down days. Normal school rules, except for regular dress code standards, apply on these days and students are expected to cooperate with the regulations. Some of these may be "theme days" where certain allowances are made.

Driving and Parking

Parking facilities on school property are limited; therefore, parking permits will be issued. Seniors will be given the first opportunity to purchase parking permits. Juniors will have the opportunity to purchase parking permits as spaces become available. The fee for parking permits on school property will be \$120.00 for the entire school year. Tuition must be paid and current in order to purchase a parking permit. Alternative parking is a student responsibility and is not an excuse for tardiness. Drivers will be assigned a numbered spot and must only park in that spot. Car pooling is encouraged and all cars using the pass must be registered with the attendance clerk. **Students may not park in the faculty parking lot or in clearly marked staff/faculty assigned spaces.** Any permit improperly used will be confiscated and the fee forfeited.

Students must obtain permission from the office to go to their cars during the school day. All cars must be locked while they are parked on school property. Valuable articles should not be kept in the cars; the school is not responsible for articles removed from automobiles or damage done to autos parked on school property.

Car ornamentation must be in good taste and reflect the values of Holy Name. Failure to meet Holy Name standards will result in a loss of the parking privilege.

Early Dismissal

Senior students in good standing who do not have a regularly assigned class at the end of the day may request an early dismissal under the following conditions: (1) Submit the appropriate request form signed by their parent/guardian **each semester**. (2) Students with early dismissal privileges may not loiter in the halls or on the school grounds after their

dismissal time. (3) Any student with early dismissal who is staying after school **for any reason** must report to his or her assigned study hall by the beginning of the period. (4) **A student athlete whose sport season is in progress must remain in his/her assigned eighth period study hall. There are no locker room privileges prior to 2:35 p.m.** (5) The Administration will revoke the early dismissal privilege of any senior who fails to comply with these guidelines.

There may be instances where a special schedule results in an altered dismissal time. Students are responsible for being aware of any altered early dismissal times. Students will be notified in a timely fashion and will be required to stay on those days.

Student class schedules will not be rearranged to create unassigned classes during last period of the day. Students on academic/disciplinary probation will have the early dismissal privilege revoked and be assigned to a study hall. **Early dismissal requests must be submitted each semester.** You will not be granted the early dismissal until all paper work has been submitted.

Elevator

The school elevator is reserved for faculty use and disabled students who have obtained permission from the school office. Elevator service will be discontinued at 3:30 p.m. An elevator key may be obtained in the attendance office. A \$3.00 fee will be required for lost elevator keys.

Emergency School Closing

When severe weather conditions or other unforeseen circumstances place the holding of regular classes in doubt, listen to the local radio stations and TV information on school closing. If the Parma Public School System is announced closed for the above reasons, Holy Name High School will also be closed.

Field Trips

Parents and guardians will be asked to sign permission slips to authorize participation of their sons and daughters in field trips or other special programs scheduled away from the school premises.

Illness During School Hours

Students who become ill **during the school day are to report to the clinic.** If the health aide is not available, the student should report to

the office. Parents will be contacted if it is necessary for the student to leave school. Students may never leave school because of illness unless the clinic or office has notified the parents. All work due must be turned in before leaving school that day.

Locks/Lockers

A lock will be issued to all students on the first day of school. The lock is theirs to keep for the remainder of their time at Holy Name and beyond. Lockers must be secured with a Holy Name issued/purchased lock. Replacement cost of the lock is \$5. Lockers are the property of the school, and therefore, the school maintains the right to inspect their contents at any time. All lockers must be kept locked at all times with the assigned lock. Unlocked lockers will result in detention. Nothing is to be posted on the outside of lockers.

Lunch Periods and Cafeteria

Each student is assigned a 20-minute lunch period as indicated on his/her schedule. All students are to eat in the cafeteria. Food orders from outside vendors are not allowed. Since the cafeteria is also used as a study hall, students should cooperate by helping to keep the room as clean as possible. It is each student's responsibility to clear his/her place at the table when finished eating. **No backpacks may be carried in the lunch line. Vending machines in the athletic area are off limits during lunch periods.** Food/beverage is permitted only in the cafeteria. Extracurricular Activities

Students are encouraged to participate in extra-curricular activities as a means of broadening their educational experience. 	Wrestling

Any school-sponsored activity will be announced through the regular school channels. Dances, club meetings, evening rehearsals, interscholastic events and practices are scheduled well in advance. All questions and concerns regarding the above activities should be directed to the appropriate faculty moderator.

Off-Campus Conduct/Social Media Conduct

Off-campus/social media conduct reflects on the good reputation of students, parents and faculty. People are often quick to label an entire group wrongly after experiencing unpleasant association with some members of that group. Coming to school and returning home, at school events, and at the social or athletic events of other schools, you bear the good name of Holy Name High School. Be conscious of that responsibility. Failure to act responsibly will result in the school taking disciplinary action.

Holy Name's location within a residential area also demands student respect for the property of our neighbors. Do not loiter or discard refuse on or around adjacent property. Respect for the property of others is an important tenet of Catholic Christian Education. Walk on the sidewalk, not on lawns or in the street.

Religious Activities

In addition to regularly scheduled Theology classes, Holy Name High School provides many opportunities for each student to deepen his/her relationship to Christ and strengthen the bond with other members of the school community. As a Catholic school, we strongly believe in providing an opportunity for the student body to participate in the celebration of the Liturgy. To achieve this end, Mass is celebrated on Holy Days, and for special occasions throughout the school year. Attendance is mandatory. *The celebration of mass is considered part of the Theology curriculum.*

Among other religious activities considered an integral part of the life and spirit of Holy Name High School are: reception of the Sacrament of Reconciliation, days of reflection, time to speak to a visiting priest, and the integration of the message in all academic and extracurricular programs.

School Dances

School dances, whether held on the premises or away from school, are school functions and as such will be governed by school regulations.

School dances are closed dances. They are not open to the general public. Holy Name High School students may invite one guest on some occasions. Holy Name High School students and their guests must fill out a dance pledge with all the proper information and signatures. This pledge must be on file before students will be admitted to the dance. Dancing should be in good taste and exemplify the Catholic, Christian values that Holy Name High School promotes. Any suggestive, lewd or inappropriate dancing will not be permitted at any school dance or function.

No one will be permitted to leave the building. If a student leaves, he/she will not be readmitted.

Athletic Eligibility

Holy Name is first and foremost a Catholic college preparatory high school constantly striving to prepare all students to be college and career ready. Thus, it is expected that every student gives top priority to his/her education.

Holy Name High School is a member of the Ohio High School Athletic Association and must abide by all eligibility rules and regulations. OHSAA academic eligibility rules include but are not limited to the following:

A student must earn a passing grade in a minimum of five one-credit courses, or the equivalent, that would fulfill graduation requirements. This must occur in the immediately preceding quarter.

At Holy Name H.S., a student must also have a minimum GPA of 1.6 in the immediately preceding quarter to be eligible for interscholastic sports. Thus, students and their families should note that eligibility for the specific quarters will be determined according to the following criteria:

First Quarter:	Fourth Quarter GPA from the previous school year
Second Quarter:	First Quarter GPA from the current school year
Third Quarter:	Second Quarter GPA from the current school year
Fourth Quarter:	Third Quarter GPA from the current school year

(Semester GPA and/or accumulative GPA has no effect on eligibility.)

If a student fails two or more courses for a quarter she/he will be declared ineligible until the midpoint of the following quarter. At the midpoint of the following/next quarter, the student's GPA will be reviewed. If the student has raised their GPA to 1.6 or higher while passing five classes, they will be fully reinstated to their team.

During each grading period, all in-season student-athletes' academic progress will be reviewed at the mid-point of the quarter. If a student is found to be at or below a 1.6 and/or failing two or more courses, s/he will have ten (10) school days to achieve a minimum of a 1.6 GPA while passing all classes. If the student-athlete fails to do so, s/he will be declared ineligible for the remainder of that quarter.

A student-athlete must be present in school by 11:00am in order to attend practice or to participate in a contest on that day. Additionally, if a student leaves during the school day because of illness, s/he is not permitted back to school for any reason, including extra-curricular activities. Exceptions would be determined by the Administration.

NCAA Eligibility

College bound student-athletes first enrolling at an NCAA Division I school have to meet minimum academic requirements to practice, compete, and receive athletic scholarships during their first year of college. In addition, the NCAA has established a central clearinghouse to determine initial eligibility for Division I and Division II student-athletes. For additional information students should see their Guidance Counselor as well as use their Naviance account to register for the NCAA Clearinghouse. Please see www.ncaa.org for all details regarding the NCAA and academic requirements.

Co-Curricular/Extra-Curricular Eligibility

Participation in co-curricular and extra-curricular activities definitely adds to a student's overall development, but is most certainly a privilege. As Holy Name H.S. strives to prepare all students to be college and career ready, academics should be each student's top priority. With that in mind, students involved in co-curricular and/or extra-curricular activities are subject to the same eligibility requirements as student-athletes.

Overall, a student whose GPA is below a 1.6 and/or is failing two or more subjects and/or is on Attendance Probation will not be allowed to participate in any activity that would take him or her away from school during the academic day. This includes, but is not limited to:

field trips, retreats, music tours, grade school visits, service projects, etc. The Administration is the final authority on all eligibility matters.

Return to Play/Concussions

As of April 26, 2013, parents and athletes are required to sign and submit a concussion information sheet for each school year for each sport. Holy Name complies with Ohio's Return-to-Play Law. See www.healthyohioprogram.org/concussion for details.

Conduct at Games

The authority of school officials extends to any activity related to an athletic event. A student must abide by the request of any school official while attending any athletic event home or away. It is imperative that Holy Name students, parents and fans follow the guidelines of good sportsmanship as outlined by the OHSAA and Holy Name's conference affiliation.

Holy Name students must sit in their own stands. Good sportsmanship should be exhibited at all times.

Support our teams' effort, respect opponents and referees. Posters, banners, horns, drums, or other noisemakers are not permitted at games. Confetti is not permitted. Gentlemen must wear shirts at all times.

When singing the National Anthem or Alma Mater, students should stand, boys should remove their hats, and all express their respect and pride by joining in the singing.

At interscholastic contests, persons leaving the building or premises will not be readmitted.

Student misconduct may result in forfeiture of the privilege to attend games.

Rallies

The purpose of all rallies is to promote school spirit and unity, good sportsmanship, and to give visible support and inspiration to our athletic teams. A rally should be an educational experience and conducted in good taste.

All in attendance should extend their personal courtesy to rally participants. Students are to listen carefully and follow directions of the MC and cheerleaders. Cheering and singing is highly encouraged.

Varsity Jackets

Only students who have earned varsity letters or special activity letters may purchase varsity jackets. The jackets must be purchased through the Team Shop.

College and Career Planning

The counseling department at Holy Name High School is committed to providing services that enhance the student's development. Counselors provide services to students, families, teachers, administrators and the community at large. Our freshman program emphasizes personal adjustment, new student orientation/registration, and study skills. As sophomores, students continue to evaluate their strengths and weaknesses and begin to explore career possibilities. During the junior year, students' continue to focus on career preparation during the fall and college preparation during the winter and spring. This includes college visitations (see page 14) and familiarity with the necessary standardized tests for college admission. During the senior year, students will prepare college applications, re-visit colleges, re-take college admission tests, apply for financial aid and scholarships, and make final decisions regarding their post-secondary plans.

Representatives from colleges and universities visit Holy Name during the months of September, October and November. Juniors and Seniors are encouraged to attend these visits to learn more about the individual requirements for each college.

Students that have decided not to include college in their post-secondary plans immediately after high school are also encouraged to work with their counselors.

Acceptable Use Policy

We believe that technology is a vital means to assist those who carry out the educational ministry of Holy Name High School.

We are pleased to offer our students access to our computer network for electronic mail and the Internet. To gain access to e-mail and the Internet, all students must obtain parental permission and must sign and return this form to the main office. Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Ultimately, parents and guardians of our students are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, Holy Name High School supports and respects each family's right to decide whether or not to apply for access. **Students will bring the entire policy home to parents for review and signatures.** School and personal computers cannot be used until the form is returned. While at school, students are permitted to use their own electronic device for educational purposes provided that they conform to the Acceptable Use Policy.

Computer Lab

Students may use a computer lab when the lab is supervised by authorized school personnel. Student must obtain a written pass from their study hall supervisor and present the pass to the lab supervisor in order to gain admittance.

THE COMPUTER LAB IS NOT OPEN TO STUDENTS DURING HOMEROOM PERIOD.

STUDENT CONGRESS

The Holy Name High School Student Congress is a member of the Ohio Association of Student Councils and as such subscribes to the firm belief of this organization that "the student council is an educational instrument designed to provide actual learning experiences in leadership and opportunities for practice in the qualities of good citizenship necessary for effective membership in a democratic society". The idea requires individual commitment and involvement by a group of elected students who meet regularly to promote:

- SCHOOL SPIRIT
- CITIZENSHIP
- LEADERSHIP
- SERVICE
- HUMAN RELATIONS
- CULTURAL VALUES

The Student Congress has only delegated powers. Therefore, the Principal retains the veto power over every action of the council.

The Student Congress must operate within the framework of the school's philosophy and objectives. Proposed activities and projects should be educationally worthwhile and in keeping with the promotion of the general welfare of the entire school community.

SERVING OTHERS IN HIS NAME

All students will be required to do service. By the end of their senior year students will have done a minimum of seventy (70) hours of service. Seniors will be required to write a two page summary/ reflection paper about their volunteer experience.

Our goals are:

1. To have students realize that it is our Christian obligation to serve others as Christ did.
2. To meet family, school and community needs.
3. To enrich students' lives through volunteer experiences.
4. To teach students about the volunteer experience at the freshman level through structured lessons in Social Studies class.
5. To provide all students an opportunity for group projects to fulfill their service requirements.
6. To have individual extracurricular groups develop and implement service projects within and outside the school.

This service can be done for an immediate or extended family member. All activities must be listed on the log sheet and must be signed by the person(s) for whom the service was provided.
3. At least one group service project (a minimum of four (4) hours) is encouraged. Group projects may be provided by the school and/or various extracurricular groups. Hours served must be kept on the log sheet and must have proper signatures.

The total number of service hours must be at least (10), but you are certainly encouraged to go beyond this minimum number.

All students should complete their service hours and turn in their log sheets by mid-May. Seniors should include their reflection paper with the log sheet.

ALMA MATER

All praise to Alma Mater dear,
To friends whom we revere,
To teachers versed in all the arts,
To men who stirred our hearts,
To wisdom present in her halls,
To memories she recalls,
To faith we ever shall proclaim,
To our dear Holy Name.

FIGHT SONG

All Hail Holy Name!
With loyal hearts we proclaim.
That we will serve the green and white
Your spirit we know
Will lead us on as we go,
And guide our youthful steps aright.
And down through the years,
We will re-echo your cheers,
And through our efforts bring you fame.
For though it be our best
It's not too good for dear old Holy Name.

The school is the thing,
Will be the motto we sing
Though it be triumph or defeat.
Let this be our aim
To win for you Holy Name
And lay our laurels at your feet.
Forever will be
A cry of clean victory
That will be heard throughout the fight,
For Holy Name will ever onward press
Beneath the green and white.
