From: Holy Name High School School Health Clinic
Date: May 18, 2017
Subject: Required Immunization Booster for all incoming 12th Graders.

Dear Parents,

The Ohio Department of Health recently revised the School Immunization Requirements to include a Meningococcal Booster **before the student enters 12th grade.**

You will be required to document that this booster has been given to your child before they can return to school in the fall.

You are receiving this letter now to provide you with ample time to have your child immunized before the 2017-2018 school year begins. Please contact your physician or health department to schedule an appointment. Proof of Immunization can be submitted any time from receipt of this letter, but must be submitted no later than 8/22/2017, the first day of school. Thank you for your prompt attention in this manner.
