

## HOLY NAME HIGH SCHOOL

### STENSON FAMILY SCHOLARSHIP APPLICATION

#### Background:

Established in 2016, this scholarship fund was set up to honor the Stenson family. The Stensons are descendants of immigrant families that came to America at the turn of the 20<sup>th</sup> century from Slovakia and established a home in the mountains of southwestern PA where they found work in the coalmines. Joseph and Anne Stenson moved to Cleveland in the 1950s to the "old neighborhood" around Holy Name Church. The move was not successful in bettering their lives as Joseph suffered a disabling stroke soon afterwards. They subsisted on the hard work of Anne at many odd jobs and on government aid. Despite this hardship, their three children, Joseph '61, David '63 and Anne V '71 (Vickie), attended Holy Name and put themselves through college and graduate school with scholarships and student loans. They worked as college professors and research scientists and are involved in community service in environmental issues, literacy and anti-hunger programs. Their children are physicists and biologists at prestigious institutes. The family strongly believes that education was the key to their success. They would like to help young people growing up in similarly challenging circumstances get a good education that will lead them to successful lives. We feel Holy Name has a strong tradition in providing an academic and moral foundation for success and hope to assist young scholars meet their educational goals.

The annual total award shall be \$10,000 (ten thousand dollars) and may be awarded to a recipient in any increment (not to exceed \$10,000 in total per annum) at the discretion of the school's Scholarship Award Committee.
